From the Principal's Desk

Dr. Nandita Roy

Dear prospective learner,

We welcome you to Gurukul as the place you will be graduating/post-graduating from. Our institution's foundation stone has been laid down by freedom fighters of immense stature. Today we carry on the legacy by attempting to churn out graduates and postgraduates who will not only be the pride of their parents and teachers but also responsible citizens of the nation.

At Gurukul, academics, vocational skills, value added programs, cultural activities, sports as well as placements and internships are all given rigorous impetus. At a time when the job market does not seem to be as strong as could be wished for, we encourage and train interested students in entrepreneurship skills so that they be become employers rather than employees.

For those who have set their sights on the corporate world, we host regular training sessions which will help them to overcome interview challenges. Additionally, our students are also trained in soft skills which will help them retain their jobs and rise higher.

Teachers in Gurukul are a committed lot who leave no stone unturned to make stars out of their talented students. Within classrooms fitted with projectors and mikes, these teachers make lessons come alive through power-point presentations and interactive sessions. They double in as mentors and very frequently become friends and guides for a lifetime. They also drive students as hard in the classroom as in the cultural and sports arenas.

Our office administrative staff are the backbone of the college who go out of their way and often bend backwards to make things smooth for students. But discipline is one area where the college authorities do not make any compromises whatsoever, whether it be attendance, unfair means during examinations or any form of misbehavior in the college campus.

With the support of a proactive Management who do not hesitate to upgrade infrastructure as per requirement, we at Gurukul take pride in aiming high to claim the stature of being one of the best colleges in these suburbs. We invite you to be a part of this exciting prospect.

ABOUT US

The Management

The Mumbai Pradesh Arya Vidya Sabha (MPAVS), a 100 year old organization manages the Gurukul Educational Institutions and has offered dedicated service to the nation in the field of education. The organization is registered under the Mumbai Public Trust Act of 1950 and has been conferred the status of a **Gujarati Linguistic Minority Institution** by the Government of Maharashtra.

The philanthropic journey of MPAVS towards education began with a primary school for children with focus on the underprivileged section of our society, which has now grown to a complete centre for education from nursery, primary, secondary, higher secondary, technical high school, and a school for special children to a full fledged Degree College of Commerce affiliated to the University of Mumbai

Inspired by the preaching of Swami Dayanand Sarswati and other spiritual leaders of India, the MPAVS management believes in practicing the preaching of great saints and scholars of India. It is worth noting that in an era of commercialization of education, the MPAVS has remained committed to ethics by rejecting capitation fee or donation for admissions. All the educational institutions under its umbrella are well equipped to meet the global competition in the field of primary, secondary and higher education in India.
A Commerce College in the commercial capital of the nation is the testimony of sincere vision of the Management towards creating a pool of human resources for the economic growth of the nation.

The College

The **Gurukul College of Commerce,** affiliated to the **University of Mumbai,** was established in July 2001 under the management of MPAVS. The college instills rich traditional and cultural values keeping in mind the aspects of changing era. Presently the college with a strength of over 1700 students offers Undergraduate and Postgraduate study programmes for :

TEACHING PEDAGOGY

Gurukul College of Commerce believes in adapting to the changing times by implementing effective teaching learning strategies. Learning encompasses culmination of different methods and styles to enhance interest and add value to the students. Thus, we engage in various pedagogies for developing students' academic capabilities towards enhancing their skills and knowledge. Faculty members resort to the use of ICT for dissemination of information. Lectures are conducted through video presentations, Power Point Presentations, case study methods, live visits, educational tours etc. Thus, this ensures connecting the curriculum with the practical scenario.

Under the current circumstances of the COVID 19 pandemic, our college is fully equipped to overcome the challenges that may arise. During the lockdown we have resorted to many activities through various online platforms as well as conducted online lectures, examination etc. for the benefit of our students. Thus, we ensure the continuous teaching learning process so that our students can keep achieving greater heights.
