Principals Message

Dear Students

It is with great pleasure that I extend a warm welcome to each and every one of you to our esteemed institution. Here at Gurukul, we take immense pride in our NAAC Reaccredited 'B+' Grade and ISO 21001:2018, 14001:2015, and 50001:2018 certifications, a testament to our commitment to excellence in education.

The foundation of our institution was laid by freedom fighters of immense stature, and today, we continue their legacy by striving to produce graduates and postgraduates who not only bring pride to their families and educators but also contribute meaningfully as responsible citizens of our nation.

At Gurukul, we believe in providing a holistic education that encompasses academics, vocational skills, value-added programs, cultural activities, sports, and rigorous placement and internship opportunities. In today's challenging job market, we are dedicated to equipping our students with the skills and mindset needed to thrive, whether as entrepreneurs or corporate professionals.

Our faculty members are the backbone of our institution, dedicated to nurturing the talents of our students and instilling in them the confidence and skills necessary for success. Through innovative teaching methods and personalized mentorship, they ensure that learning goes beyond the confines of the classroom, fostering lifelong friendships and guidance.

I must also acknowledge the invaluable contribution of our administrative staff, who work tirelessly to ensure that the college operates smoothly and efficiently. While we encourage a nurturing environment, we are unwavering in our commitment to discipline, holding ourselves to the highest standards of integrity and conduct.

With the unwavering support of our proactive management, we continuously strive to upgrade our infrastructure and aim to be recognized as one of the premier institutions in our suburbs.

I invite each of you to embark on this exciting journey with us at Gurukul, where opportunities abound, and success awaits.

Dr. Mamta Rane

THE MANAGEMENT

The Mumbai Pradesh Arya Sabha (MPAVS), over a 100 years old Trust manages the Gurukul Educational Institution and has offered dedicated service to the nation in the field of education. The organization is registered under the Mumbai public Trust Act 1950 and has been conferred the status of a **Gujarati linguistic Minority Institution** by the Government of Maharashtra

The philanthropical journey of MPAVS towards education began with a primary school for children with focus on the underprivileged section of our society, which has now grown to a complete center for education from nursery, primary, secondary, higher secondary, technical high school and a school for special children to a full-fledged Degree College of Commerce affiliated to the University of Mumbai

Inspired by the preaching of Swami Dayanand Saraswati and other spiritual Leaders of India, the MPAVS management believes in practicing the preaching of great saints and scholars of India. It is worth nothing that in an era of commercialization of education, the MPAVS has remained committed to ethics by rejecting capitation fee or donation for admissions. All the educational institution under its umbrella are well equipped to the global competition in the field of primary, secondary and higher education in india. A commerce college in the commercial capital of the nation is the testimony of sincere vision of the Management towards creating a pool of human resources for the economic growth of the nation.

The College: The **MUMBAI PRADESH ARYA VIDYA SABHA's GURUKUL COLLEGE OF COMMERCE,** affiliated to the **University of Mumbai**, was established in July 2001 under the management of MPAVS instilling rich traditional and culture values keeping in mind the aspects of changing era with a strength of over 1800 students

TEACHING PEDAGOGY

Gurukul College of Commerce believes in adapting to the changing times by implementing effective teaching learning strategies. Learning encompasses culmination of different methods and styles to enhance interest and add value to the students. Thus, we engage in various pedagogies for developing

Student's academic capabilities towards enhancing their skills and knowledge. Faculty members resort to use of ICT for dissemination of information. Lectures are conducted through video presentations, Power Point Presentations , case study methods, live visits, educational tours,etc. Thus, this ensures connecting the curriculum with the practical scenario.

Under the current circumstances of the COVID-19 pandemic, our college is fully equipped to overcome the challenges that may arise. During the lockdown we have resorted to many activities through various online platforms as well as conducted online lectures, examination etc. for the benefit of our students. Thus, we ensure the continuous teaching learning process so that our students can keep achieving greater heights.
